Dear Rohini,

How are you? I am sure you are doing good. How is the weather in Pune? You told me that you had to go to Pune for a month because you were selected for the women's cricket coaching.

I know you have never been to Pune before. Are you excited? Where are you staying? How is the coaching going on? I wish I too was selected. We could have had fun together. How are the other girls who have come for the same? I know that they have come from different places from Maharashtra. Have you made any new friends? I know your nature will be liked by all and you are going to do your best. I am already missing you. Counting the days and waiting for the month to come to an end quickly I know you are busy with your new opportunities. I will end this letter here. Take care and remain healthy.

Your loving friend,  
XYZ

Dear granny,

How are you, dear? I hope you are taking care of your health. I am sure grandpa too is doing good.

Thank you for the wonderful present you sent me on my birthday! I really felt very nice to be remembered and felt especially nice when I received the whole set of 'Harry Potter' book series.

I enjoyed reading the first book and I am sharing it with my friends too. I am sure to improve my language after reading these books. I will remember you everytime I look at the books or read them.

Thank you, granny, I really appreciate your thought and love. Hoping to see you soon. Bye for now and take care.

Give my love to grandpa.

Your loving granddaughter,  
XYZ

<b>Lily</b>	Thank you for appreciating. You can count on me anytime. I know you have a very busy schedule. Don't worry, I'll always be there when you need me.
